

Dear Parents:

We have a fan page for Niles Adventist School on Facebook. We invite all of you who are on Facebook to “Like” our page (search for *Niles Adventist School*) so that you can see our status updates, pictures of various activities, announcements of events, etc. This is a great way to keep up with what is happening at NAS.

Even though most of you signed our photo release form agreeing that your child’s photo could be placed on our school web site, we would also like your permission to put your child’s photo on our Facebook page (without using their name), since that wasn’t specifically mentioned on the Photo Release form.

Please sign and return the form below.

Thank you!
